**About SURA Investments**

About SURA Investments is the asset manager with a strong global focus and an active local presence in the region, specialized in integrating expert and personalized advice with investment opportunities for individuals, companies and institutions, connecting Latin America with the world.

With offices in Chile, Peru, Mexico, Colombia and Uruguay, investment vehicles in the United States and Europe, alliances with world-class partners and a team of more than 1,100 employees, SURA Investments offers its clients a comprehensive and innovative offering.

Currently, SURA Investments manages assets of US\$20.9 billion, driving - hand in hand with its clients - the sustainable growth and development of Latin America.
